FOR THE MONTH OF JULY:

MORNINGS: AGES 8-11 ART FOR BREAKFAST

Wake up and start your day with art in this creative class! Try a range of morning art classes as you enjoy a breakfast snack with other young artists online. Classes will include an art supply kit to take home plus a few breakfast treats to keep you energized, such as waffles, juice, and cereal.

AFTERNOONS: AGES 12-16 POP INTO THE VIRTUAL ART STUDIO FOR TEENS

Express yourself and let your imagination loose as you develop your skills with an online community of teens also interested in art. Practice fundamental painting and drawing techniques (watercolour, pen, graphite, and more). Make colours POP – and why not treat yourself to a refreshment such as a pizza pop snack, pop tart, or ice pop included in your at-home art supply kit as you create art together online.

WEEK 1 JULY 5 – 9

AGES: 8-11

MORNING 10:30AM-12NOON
WITH CARLY MORRISSEAU

FEARLESS CREATING!

Get inspired by the exhibition! Take an "art walk" from home and explore the AGSM Main Gallery exhibition with a digital tour. Get inspired by celebrated artist Shelley Niro whose artwork will be showcased at the gallery this summer. Through a series of creative projects your teacher will help you to express yourself and build a positive self-image through portraits, a digital photography collage project, and drawings.

AGES: 12-16

AFTERNOON 1:00-2:30PM
WITH ALYSSA BOULTON

FEARLESS CREATING FOR TEENS!

Students will be inspired by a new art exhibition featuring work by celebrated artist, Shelley Niro. Teens will have the opportunity to explore this exhibition through a digital tour and create projects such as portraits, photos, collage, and drawings with their art teacher. Unleash your imagination through projects that build a positive self-image and consider how we create our sense of self.

WEEK 2 JULY 12 – 16

AGES: 8-11

MORNING 10:30AM-12NOON
WITH ALYSSA BOULTON

ART TREK

Discover a wild ride out of this world! Bring your imagination to life with inspiration from the movies and outer space! Learn to draw shapes, facial features, create volume, shade, and work with colour. Explore a variety of painting and drawing techniques to help you design imaginative characters and intergalactic landscapes.

AGES: 12-16

AFTERNOON 1:00-2:30PM
WITH CARLY MORRISSEAU

EXPLORE INDIGENOUS CULTURE AND THE CREE LANGUAGE THROUGH ART

Students will learn about the Cree language and Indigenous culture through a series of art projects. Activities will include learning Cree syllabics to write your own name in Cree, a mask making project exploring self-expression and the significance of the Star Blanket in this class on Indigenous art and culture. Students will also work on a photo collage project inspired by the Shelley Niro exhibition featured in the Main Gallery.

WEEK 3 JULY 19 – 23

AGES: 8-11

MORNING 10:30AM-12NOON
WITH ALYSSA BOULTON

COLOUR SPLASH: UNDER THE SEA EDITION

Get creative in a relaxed and stimulating online studio environment! Try projects inspired by nature to create colourful works of art. Develop drawing and painting skills with pencil, watercolour, and dazzling sparkly glue. Create magical, watery environments filled with unique sea creatures and underwater adventures. Practice activities to help you focus, relax, and unlock your imagination!

AGES: 12-16

AFTERNOON 1:00-2:30PM
WITH ALYSSA BOULTON

CELESTIAL COLOUR SWIRL

Create colourful compositions and ignite your creativity! Work with watercolour, pen, and pencil to create celestial watercolour paintings based on personal astrological signs and outer space. Express your identity using symbols, colour, shape, and line. Practice the basics of drawing, brushwork and paint application. And remember, as Bob Ross famously said, "We don't make mistakes, just happy little accidents!".

WEEK 4 JULY 26 – 30

AGES: 8-11

MORNING 10:30AM-12NOON
WITH GEORGE PHILLIPS

EXTRA-TERRESTRIALS, NORTHERN LIGHTS, AND "CAMPFIRE" STORIES

Be inspired by spaceships, extra-terrestrials, and the night sky in your art lab at home. Paint and draw galactic art, Aurora Borealis, and create otherworldly puppets. Gather 'round the "campfire", listen to stories, and create your own! Work with recycled materials, draw your own designs and plans, experiment, and set your imagination free!

AGES: 12-16

AFTERNOON 1:00-2:30PM
WITH MELANIE BARNETT

UNLEASH YOUR IMAGINATION WITH DRAWING & SURREALISM

Take your artwork and ideas to a whole new level. Explore how well-known artists have incorporated bizarre and surreal ideas into their artwork, and find inspiration to express yourself in new ways. From altered self-portraits to creating characters, you'll receive guidance on building your drawing skills. Explore texture, realism, and idea development while creating your unique voice.
